Not a bad story and well told in some parts but there are too many mistakes left.

A Christmas tale

The wonderful fir-tree.

In the forest grew a pretty little fir-tree. He had plenty of sun and air, and near him stood his fellows fir trees or pines. He wished very hard to grow up. In winter, sometimes a hare who jumped over the little fir, ~~which~~ made our fir very angry. After two winters running, the fir was so tall that the hare was obliged to ~~turn~~ run round the fir-tree ~~that he might~~.
Autumn came. and woodcutters threw down some of the thickest trees, and cut off the branches.
