Columbia NEW PROCESS Record

Made in England by the Columbia Graphophone Co., Ltd., London.

Some Important COLUMBIA ACCESSORIES.

COLUMBIA SPEED TESTER

The speed at which a Columbia Record is played is most important, to give correct Pitch, Tone and Tempo. Your gramophone should be tested once a week with a COLUMBIA SPEED TESTER, to ensure the most faithful musical results.

COLUMBIA CLEANING PAD

Dust and dirt are destructive to the record. Before and after playing, wipe the surface with a COLUMBIA RECORD CLEANING PAD, specially made for that purpose.

COLUMBIA NEEDLES

Made in NINE varieties, yielding any requisite shade of volume. British-made steel.

COLUMBIA RECORD ALBUMS

Build a Library of Records. COLUMBIA RECORD ALBUMS enable Records to be easily found and readily stored.

Obtainable of all Dealers.

CAUTION. Columbia records are manufactured under British, Irish Free State, Australian and New Zealand patents and are only licensed for sale at authorised prices, and for private performance.

Any sale at other than the authorised prices, or any unauthorised broadcasting or public performance, of such records, constitutes an infringement of the above-mentioned patents, and will render the infringer liable to an action at law.

Copyright subsists in all Columbia records by virtue of the Copyright Act 1911. The Company reserves all its rights under copyright law.
