we can roughly divide Manhattan into four parties: parts

- 1) downtown Manhattan which is the quarter of finance and business. It lies from the southern tip of the island to the 14th ~~avenue~~ street.
- 2) Middelown Manhattan from the 14th street to 110th street. It includes

most of theaters, restaurants, public-buildings and some residential-houses

3) Uptown Manhattan : it is the residential-quarter on the west side

4) Harlem, the Negro-section which includes 300.000 people of all races mainly black

We must not forget famous quarters well-known to Europeans :

Broadway, Washington Square, Chinatown, Greenwich Village (the quarter of bohemians and artists).
